UPWORDS WITH PASTOR DOUG

The Evangelical Free Church of America exists "to glorify God by multiplying healthy churches among all people."

Have you heard the news? God is stirring the hearts of some in our Summit family (and others) to start a new church in the community of Holstein, 26 miles southwest of Alta!

With Summit as the sponsoring church, the goal is to more effectively make disciples in the Holstein area – "leading people to salvation in Jesus Christ and encouraging spiritual growth in all believers through sound Biblical teaching."

The strategy is to launch a satellite campus which would initially share the vision and leadership of Summit, and would eventually become a separate and independent Evangelical Free Church.

Please join us in prayer and share your thoughts as we seek God's direction and His glory in our planning of the details and the timeline!

I look forward to meeting with any of you would like to learn more or share in the discussion. Please join me at an informational meeting at the Holstein Community Center on Tuesday, March 9 at 7:00 PM.

Yours Warmly in Christ—
